EXHIBIT "D"

On 12-3-07 at approximately 11:15AM I arrived at 1650 Linda Vista Drive, San Marcos, CA 92069 with the following situation:

Anca,

Your demand letter was served on 12-4-07 at 11:15AM to one of their representatives Alex a Muslim type man, approximately 30 yrs. old, 5'7", 165#'s, he advised that he was a Rep for ATOX. I asked him if Mr. Al Hatset was there he advised he was not. I then advised him I had a Demand Letter for Mr. Hatset who is known as the president of BIP Corporation. Alex said that there was no BIP here. I told him my client advised that Mr. Hatset was the president of BIP and I gave him the letter to hand to Mr. Hatset when he returned to the office.

I then went to the building's owner Scott Higley (800-998-1079) who was not there and so I finally did speak confidentially to his secretary Roberta Timmons. I advised her of the situation with ATOX saying they were not involved with BIP and that I gave the demand letter to a man called Alex. Roberta looked up on her chart of office renters and said Alex's last name could be either Stanton or Marcherko since they had two Alex's there working for ATOX.

Roberta then again advised me the fact that she always drops the mail for BIP into ATOX's mail box and she was going to have Scott look into this matter closer to find out if BIP is involved with ATOX or not. I advised her it perhaps would be best for insurance purposes to know who they were leasing their offices to and since this matter was brought up to them now by me today.
